Players will be developed according to MYS Player Development Curriculum and Model defined by McLean Technical Directors and Age Group Directors. Focus on technical player development emphasizing all aspects of the game involving age appropriate Technical, Tactical, Physical and Psychosocial components. MYS objective is to develop players with technical quality, soccer IQ, work ethic and passion for the game. MYS Coaches provide players with quality training sessions, competitive tournaments and league play, and strive to create an environment where players take ownership of their development. Players will be encouraged to experiment, be creative and learn through competition. Read more about the League by visiting [ncsl-soccer.com](http://www.ncsl-soccer.com)

Please visit [http://www.mcleansoccer.org/travel\\_registration\\_information](http://www.mcleansoccer.org/travel_registration_information) for information about player fees. The fees posted represent the annual CLUB fees. Teams will also assess a team fee to pay for tournaments, coach travel expenses, and miscellaneous team expenses. McLean Youth Soccer is committed to providing financial assistance to help players who would otherwise be unable to participate in the MYS program. We encourage families to apply as soon as possible and no later than three weeks prior to the start of the season.
