

Tryout numbers are listed below for players who have been selected for the **2007 Girls Green** team. Players who are accepting their offer **must** register and pay the initial fee within **48 hours**. Instructions on the registration process, including fees, can be found on our Registration and Fees page at www.mcleansoccer.org/registration_fees. For more specific information on the team, visit our Team Information page at www.mcleansoccer.org/team_information.

If your player's number is not listed but they intend to continue to tryout in upcoming sessions for this same age group and they already have a tryout number, that registration and number are still valid. There is no need to register again.

MYS understands that the tryout process is very stressful for players and families, and sometimes the outcome is not what a young player may have hoped for. If you would like more information with insight into why a player may not be offered a roster spot on a team, please visit our Tryout Information, Player Evaluation-Feedback section at www.mcleansoccer.org/tryout_information for a document shared by the MYS Technical Leadership.

If your player is declining the offer or if you have any questions, please email Coach Farzad Mahmoudpour at farzadestanm@gmail.com or traveladmin@mcleansoccer.org.
